

How to track a planning application

Go to simple search

<http://publicaccess.mendip.gov.uk/online-applications/>

Log into public access using your email address and password

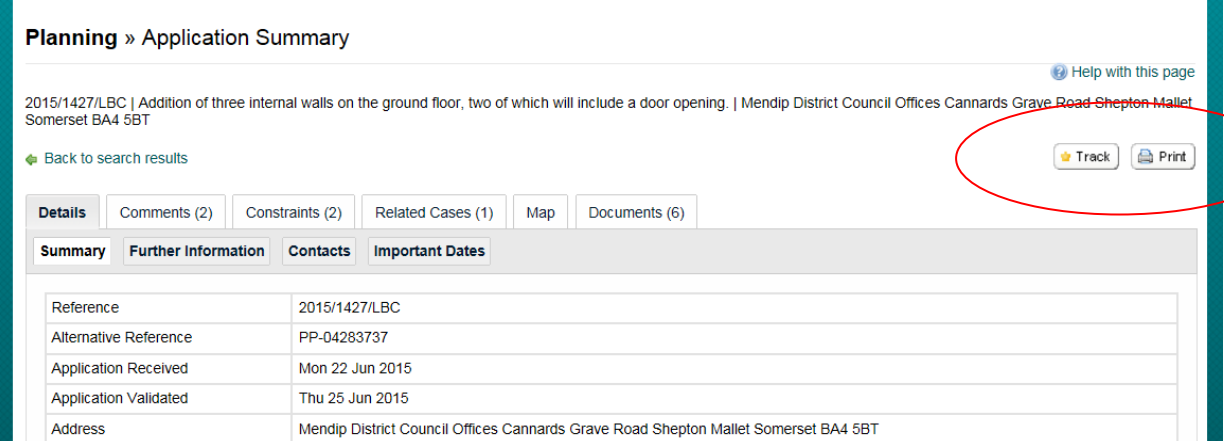

If you have the planning application number:

Click on the search drop down and go to planning then simple search and enter the number.

You can also use the simple search to search by postcode, the road name or the first line of the address.

Once you have found the application you would like to track, click on the track button.

Any changes to the status of the application will generate an email notification to you.
